

Summer 2010 Class Schedule for Janie H. Knits

First, a word about payment: Prepayment is required for all classes. With paid registration, students receive a 10% discount on all class supplies. We ask that all yarn and patterns be purchased at Janie H. Knits. In case of cancellation of a class by us, students will receive a full refund. Students who drop classes will receive a store credit. You may register by calling the shop at 613-326-0626 with a credit card, or drop in to see us.

Second, a word about pricing: you will see that our pricing is quite varied this term. Our standard price is \$18 for a one-session course, \$35 for a two-session course, and \$50 for a 3-session course. Our Help Times have a fee now -- if your question or problem takes 10 minutes or less, we will be happy to help you free of charge. But if your problem is more difficult and requires more time, or you wish to stay and knit during this time, the charge is \$5. Our Knit-alongs are \$5 per time you attend. We will be learning along with you, so the nominal charge is to cover the cost of coffee, tea and turning on the lights!

This session at Janie H Knits, we're focusing on small projects as well as large ones in the Sweater Club. The idea is to learn something new and have fun. Also, we have 2 guest teachers joining us this term. We're very excited about being able to offer some fresh ideas to our customers, and hope that you will enjoy their offerings.
